FAQ

What is required in order to hold a date?

Carnation Farms requires that a fully executed agreement and 50% deposit is in place in order to reserve the venue and services.

Are pets allowed on-premise?

While we adore pets, as a licensed food service establishment, we can only accommodate pets under constant supervision in the outdoor spaces of our main campus. Pets of any kind are not permitted in lodging nor on our organic farmstead. We absolutely can accommodate service animals with advance notice and discussion.

What happens in the event of inclement weather?

We will always do our best to adapt to any situation that arises and provide options to your coordinator. We will work with your coordinator to ensure there is a solid "Plan B" in the event outdoor services need to be altered or suspended.

Can you provide Third Party Vendor recommendations?

Absolutely! We have a robust list of top-quality vendors. We can work with any insured, licensed vendor that we've had the opportunity to talk with.

How often can we visit the venue?

We politely ask to limit venue tours and condense vendor visits to a handful of occasions. So long as our schedule permits, we would be more than happy to schedule your requests to the best of our ability, but per our policy, all guests onsite must be supervised at all times.

What is the Administrative Fee for?

The administrative fee covers the overhead for the myriad finite details and costs that go into wedding coordinate, such as costs of transport, tastings, liaising with wedding planners, printing menus and accommodation materials, and more. The administrative fee is 5% of your event total, and is the only non-refundable portion of the event total once a deposit has been made.

Do you allow outside catering?

We do not allow for any outside culinary or beverage services, with the rare exception for services or requests that we cannot source or are outside of our capabilities.

Is The Venue ADA accessible?

Yes! Our grounds are ADA accessible. We would be happy to coordinate with you an advance to attend to any needs.

Do you provide tables, chairs, linens, plates, silverware, and/or glassware?

Yes! For groups up to 100, we include all necessary service ware, glassware, and utensils. We will absolutely coordinate with you on the items necessary and quantities required in order to perform all services. We cannot mix rental and house items.

What decorations are allowed?

Carnation Farms allows any and all decorations that can be mounted with staples or any minimally invasive mounting system. Considerations that require the set up or removal of decorations will be billed at hourly staff rates. There is no usage of confetti, glitter, or any particulate on the property, and we politely ask that all decorations brought onto the premises are removed by the rental period's end.

Is smoking allowed at Carnation Farms?

Due to the historical nature of our property, we do not allow smoking or vaping of any kind on our property. For an additional fee, a smoking area can be situated in one of our parking lots to ensure distance from our buildings and land, and to ensure general cleanliness.

How late into the evening can events run?

The rental agreement is for 5 hours. Evening reservations will end at 9pm as a courtesy to our staff living on-site.

When is the final date for changes to timelines, guest counts, and set up?

We politely ask that all finalized materials are in place by two weeks (14 days) prior to the event, submitted with final payment as well.
